Signature:

(If emailing, we can have you sign it later.)

It is the policy of this organization to provide equal opportunity without regard to race, color, national origin, gender, sexual preference, or adult age. Thank you for your interest!

Due to a limited number of rooms, spaces, and resources for this program, we reserve the right to refuse any applicant for any reason at any time. The Detroit Zen Center and its representatives reserve the right to terminate the stay of any resident at any time, without restriction.

We will make every effort to provide a caring and worthwhile experience to all residents. Prospective applicants should be willing and ready to live in harmony with other students and staff in close proximity, and be prepared to follow a vegetarian diet within the Zen Center buildings.

No animals are allowed in the residency. Each student will have a private room, however, bathrooms are shared. Meals offered are organic, vegetarian and mostly raw. Some meals will be prepared and taken together, and some will be up to the students to prepare on their own. A private kitchen in the residency is available where students can keep private groceries, etc. Some space is available for storage.
